The Debtor's(s') COVID related forbearance protection has expired. There is a known and disclosed gap in the Forborne (FB) Payment Dates listed above based on the Debtor's(s') requests for COVID related financial assistance. In at least one instance, the Debtor's(s') request for additional months of forbearance protection was not received either prior to the expiration of the existing forbearance period or shortly after the expiration. This delay in requesting additional forbearance protection resulted in a gap for certain months where there was no forbearance protection in place because such protection cannot be given retroactively. By filing this COVID SPOC, Claimant is not attempting to include any of those gap months in the forborne amounts, nor is Claimant declaring that they have otherwise been paid.

Total of payments not received during forbearance period: **\$25,500.42**
